Headmaster's Message to the Class of 1981

Donald Pellegrini

The challenge of the 80's and the future belong to all of us, but most especially to you. You, more so than any other group, are experiencing the rapid and drastic changes thrust upon you by a scientific and technological world. As you are aware, time will not stand still, so I urge you to reach out and take hold of the present. Do it by participating actively in your studies and work, and leave room for sensible, rewarding enjoyment. The future, then, will be ready to receive you and you will be prepared for the future with all the responsibilities involved.

As you leave West Roxbury High your teachers and I offer you good wishes and much success. Understand, however, that success does not come easily. It takes hard work and sacrifice to get the things that you want. It also takes compassion and understanding of your fellow man, and herein lies the salvation of our society. All of these together I know you have, and, as you grow older in wisdom and age your tasks will seem less difficult. Your future will be a good one.

Memories light the corners of my mind,
Misty water-colored memories
Of the way we were.

Scattered pictures of the smiles we left behind
Smiles we gave to one another
For the way we were.

Can it be that it was all so simple then
Or has time re-written every line?
If we had the chance to do it all again,
Tell me would we, could we?

Memories may be beautiful, and yet
What's too painful to remember
We simply choose to forget.

So it's the laughter we will remember,
Whenever we remember
The way we were.

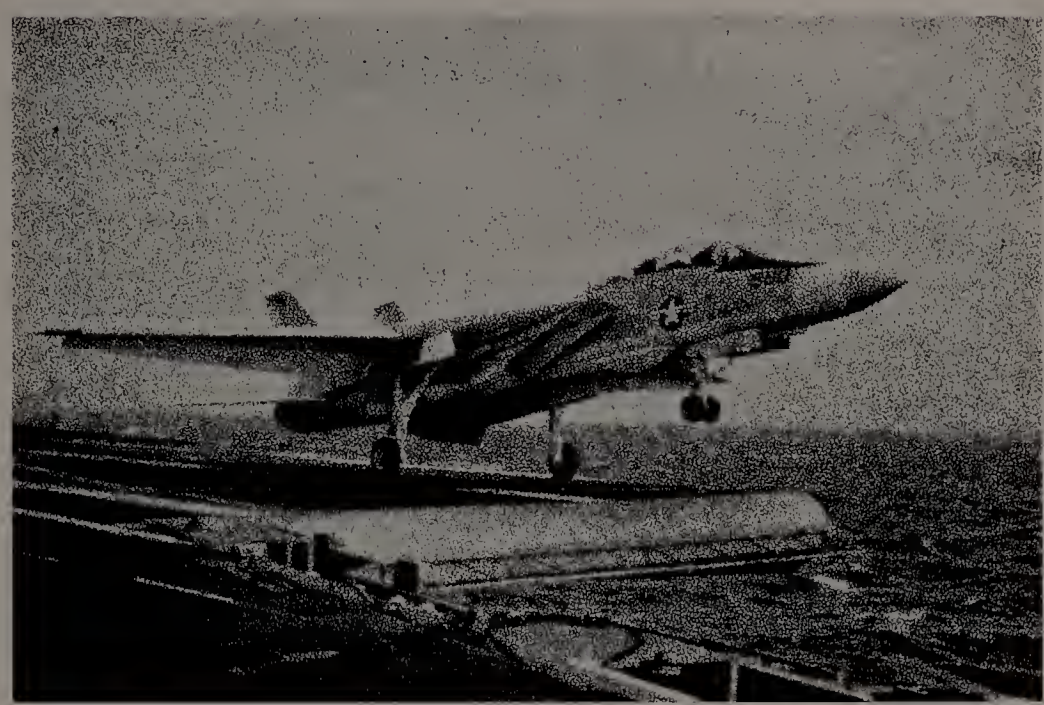
ADVENTURE ISN'T DEAD.



In the Navy, a job means more than just a good paycheck.

It means the adventure of seeing places like Greece, Spain, Hawaii and Hong Kong. It means becoming an expert on exciting technical equipment in our submarines, on our jets, and in our ships. It means doing a job that really counts, with people who count on you to do it.

The Navy can give you training in more than 60 career fields. Talk it over with your Navy recruiter. He'll be able to tell you what you can qualify for in the Navy.

GOOD LUCK
from your Navy recruiter.
